

Abalone Guest Lodge

The Abalone is a superb guest lodge situated on Sievers Point close to Hermanus. All the rooms are beautifully decorated with original South African art work. All have private balconies with stunning panoramic sea and mountain views. The Lodge is easily accessible from the Main Rd, and thanks to the well known scenic cliff path to the front, is a unique whale-watching spot.

All rooms are en-suite with panoramic sea and mountain views. Each room is individually appointed with original South African art and decor. All rooms have private balconies or patios. All rooms have Satellite TV's, telephones, email and fax, under floor heating, personalised linen, heated towel rails and tea coffee facilities.
