

Woodbury Lodge – Amakhala Game Reserve

The Woodbury Lodge is spectacularly set against a cliff above the Bushman's River valley. It offers an intimate and tranquil experience of the Eastern Cape riverine bushveld at its best. The lodge has recently received a four star grading in recognition of its standards. Your hosts, the Gush family, will endeavour to make your stay truly memorable.

Guests are accommodated in five comfortably appointed stone-and-thatch sleeping lodges, each with air-conditioning and en-suite bathroom. The seclusion of the lodges and the design of the bathrooms and individual outdoor relaxation areas enable our visitors to enjoy the unique and breathtaking views at their leisure. Guests are often thrilled by the late afternoon sighting of the elephant herd passing by.

Meals with a South African flavour are served in a relaxed and stylish atmosphere in the central dining room, and guests can gather around the outdoor fire or in the attractive bar lounge for a drink and snacks before dinner. Breakfasts on occasion are served outdoors on the deck of the dining room. A range of game viewing and other activities such as the river cruise and canoeing are on offer, or you could just recline around the pool and enjoy some sun while the birds keep you company.
