

The Cabanas

The most relaxed and casual of all Sun City's hotels, the Sun City Cabanas is a lakeside hideaway situated in the Sun City Resort. The Cabanas open out onto lush gardens leading down to the Sun City Lake which is a water sport playground for visitors of all ages. The Sun City Cabanas has a total of 380 rooms. The Sun City Cabanas are built on two levels with rooms on the ground floor and first floors. The rooms are located in seven "blocks" situated around the main reception and restaurant area. The Standard Cabanas are all air-conditioned with TV and radio and a shower en-suite.

The Sun City Cabanas has two restaurants - Palm Terrace and Butchers Grill Steakhouse - and a pool bar, which is situated on a terrace overlooking the swimming pool. The Palm Terrace serves a full breakfast buffet in a garden setting and the Butchers Grill Steakhouse specializes in juicy steaks and grills - South Africa's favourite food - and is open for lunch and dinner.

The Cabana's pools are an ideal place to relax. The Cabanas also has easy access to two of the worlds best 18 hole golf courses as well as the Lost City Valley of Waves. The Sun City Lake, better known as Sun City Waterworld, offers a full range of water sports, including pedalos, wake snake and rubber ducks. You are never short of things to do!
