

## Nottens Bush Camp

Notten's Bush Camp is an exclusive and private safari lodge in South Africa. This intimate game lodge is a jewel within the heart of the Sabi Sand Game Reserve, one of South Africa's finest natural sanctuaries, within the Greater Kruger National Park. Personally run by the Notten family, this romantic destination is a fine combination of boundless hospitality, adventure and peace. The fusion of close encounters with Africa's big 5 on daily safari game drives, walking safaris, therapeutic spa treatments, fine cuisine and starry nights around an African log fire characterize the decadence in untamed Africa to be experienced at this fine private safari lodge in South Africa.

Notten's Bush Camp's accommodation consists of beautifully appointed suites with open plan bedroom and en-suite bathroom. Four of the suites have both indoor and outdoor shower facilities at this first class safari lodge in Mpumalanga. All windows and sliding doors are fitted with screens and insect coils are provided. Each suite at Notten's Bush Camp leads onto a private wooden deck with a beautiful view of the bush. All chalets have hot showers and the suites have both hot showers and baths. Paraffin lamps and candles replace electric lighting for ambience and all the rooms are cooled with an overhead ceiling fan.
